

CIPPA / PPLAC Image Safari

Pt Mugu Airshow

Blue Angles / Thunderbirds Performances

Coordinators: Hutch Hutchison + Mike Mercadante

Outing Date: March 18th, 2023

About: [Point Mugu Airshow](#)

Some CIPPA and PPLAC members are gathering at the Camarillo airshow on March 18th, 2023, to enjoy a day of photography and story telling about the picture that got away.

You may want to arrive early for better parking and to have time to photograph some of the classic cars and aircraft on display.

This year's flight schedule TBD
